Specified Chemical Substance non-content Certificate
(Certificate for RoHS Directive)

Our company proves that all cataloged products** do not contain the six chemical materials listed below in accordance with RoHS Directive (2002/95/EC) (Article 175 of the EU Agreement), RoHS 2 (2011/65/EU), and RoHS3 (2015/863/EU).

****Note: RH series relays, contain Cadmium in the contacts but still meet RoHS requirements by claiming exemption option 8b.**

Chemical Substance:

- 1. Lead (Pb)**
- 2. Mercury (Hg)**
- 3. Cadmium (Cd)****
- 4. Hexavalent Chromium (Cr +6)**
- 5. Polybrominated biphenyl (PBB)**
- 6. Polybrominated diphenyl ether (PBDE)**
- 7. DEHP**
- 8. BBP**
- 9. DBP**
- 10.DIBP**

All specifications given on our part are consistent with the current state of technology. The specifications should not be seen to imply a warranty in any legal sense.
